Coolidge Axis II Inventory (CCI)

INSTRUCTIONS

The statements in this booklet are to help you describe an adult woman whom you know. Some statements will seem strongly false and some statements will seem strongly true. Other statements will seem somewhere between the extremes, and you are to choose whether they are more false than true or more true than false. It is important to answer all of the items. If the statement does not exactly fit the person of interest, try to do your best to find which of the answers will most appropriately describe her.

Please be sure to record your answers to the left of the item's number. You will find the response letters at the top of each page to help you answer the items.
