Instructions:

The statements in this booklet are to help you describe someone you know well. Please try to describe this person's *recent behavior*, as in the past few years or since the onset of her behavioral change or since the onset of a physical or mental problem.

It is important that you try not to omit any answers. If the statement does not exactly apply very well, please do your best to find the answer that most closely describes this other person's recent behavior.

Read each statement carefully. After each statement you will find four possible responses:

SF for Strongly False, **MF** for More False than True, **MT** for More True than False, **ST** for Strongly True

Circle the response that best describes this other person.
